COVID-19 ASSISTANCE / RESOURCES

Please find the following from AT&T submitted by Min. Helena Johnson:

AT&T is proud to support our customers by pledging that, for the next 60 days, we will:

1. Not terminate the service of any wireless, home phone or broadband residential or small business customer because of their inability to pay their bill due to disruptions caused by the coronavirus pandemic.
2. Waive any late payment fees that any wireless, home phone or broadband residential or small business customer may incur because of economic hardship related to the coronavirus pandemic.
3. Keep our public Wi-Fi hotspots open for any American who needs them.

To provide further relief and support, AT&T announced:

- Unlimited AT&T Home Internet – All AT&T consumer home internet wireline customers, as well as Fixed Wireless Internet, can use unlimited internet data. Additionally, we'll continue to offer internet access for qualifying limited income households at \$10 a month through our [Access from AT&T program](#). We've expanded eligibility to Access from AT&T to households participating in the National School Lunch Program and Head Start. Additionally, we're offering new Access from AT&T customers two months of free service.
- AT&T World Connect Advantage – Business customers currently on or who purchase an AT&T World Connect Advantage package receive 50% off the current rate in a monthly bill credit (max \$7.50/mo.).*
- Helping You Work and Learn Remotely – Businesses, universities and schools can keep their teams and classrooms connected through conference calls and video conferencing with [Cisco Webex Meetings](#) with AT&T for 90-days, and seamlessly forward calls to both mobile and landline phones with [AT&T IP Flexible Reach](#).

- Distance Learning – AT&T is underwriting expenses for a “one-stop” resource center to support eLearning Days from the [State Educational Technology Directors Association \(SETDA\)](#) available to all educators in schools to help them handle school closures and the increase in virtual learning due to COVID-19.

If you are considering any of the above being offered by AT&T, please contact Helena Johnson directly at Email: hj2536@att.com - Phone: 206-674-3149.

Let us continue to pray for our nation, world, our communities, churches, and certainly for our family members.
